NO TAX FOR TOWN PURPOSES

Coleman Taxes Drop 9 Mills

Coleman Town council topped their record of good administration this year and brought about the most pleasing budget that taxpayers have received in the history of the town. At a time when recession is setting in throughout the country and the taxpayers locally are facing a period of readjustment, the Coleman council announced that the mill rate had been reduced by nine mills and that no taxation was necessary for town purposes, merely for the school district and the municipal hospital.

The local budget, brought down Tuesday night, calls for a mill rate of 39 mills, 30 for the schools and 9 for the hospital. Last year local taxpayers were assessed with 29 for schools, 8 for hospital and 11 for town. Finances to be raised this year are \$10,187.55 for hospital and \$32,967.55 for schools. The town budget for 1954 was set at \$35,000, making a total of \$78,155.10. The monies spent on town projects will be as follows

Administration	\$ 5,000
Fire and Police	7,000
Works and Property	15,000
Building	2,500
Parks and Cemetery	1,500
Relief	2,000
Contingencies	2,000

Administration of both the Council and the Coleman Light and Water Co. during the past few years is responsible for the sound financial position that Coleman is in today, making it one of the few, if not the only town that is able to carry on their duties without taxing the home and business owner. The Coleman Light and Water Co. has sufficient reserves so that last year they were able to reduce to normal reserve and grant larger amounts to the operating of the town business. This is even more commendable when one considers that it has been achieved with light rates of 1½¢, comparable or better than average throughout the province.

Some indication of this sound position and relief for taxpayers was given at the annual meeting this spring by Mayor Abousafy. In his remarks at that time Mr. Abousafy gave the following information: "The town of Coleman assumed ownership of the Coleman Light and Water Co. in 1948, and during the six-year period the utility has earned \$151,046 and granted \$38,500 to the town in an effort to keep taxes low."

To prove that the company has been handled with the view of giving the people of Coleman the benefits derived, one has only to check the record of steady progress made during this six-year period. In round figures, the profits of 1948 were \$22,000, 1949, \$17,000, 1950, \$22,000, 1951, \$28,000, 1952, \$24,000, 1953, \$35,000, or a total of \$151,046.88 on an investment of \$80,000. During this time the company paid debentures of \$47,500 and interest on debentures of \$9665.

The measure of tax relief that the company has given to Coleman residents is shown in the following table:

1948	budget 20,000	mill rate 30
1949	budget 20,000	mill rate 30
1950	budget 21,000	mill rate 17
1951	budget 22,500	mill rate 8½
1952	budget 29,100	mill rate 7
1953	budget 38,000	mill rate 11
1954	budget 35,000	mill rate NIL

As shown, as the budget has increased and services supplied the mill rate for town purposes has steadily declined until at the present it is non-existent.

Union Leaders To Urge Miners To Accept Terms

Acceptance of a fresh contract making no provisions for wage increases or fringe benefits was recommended last weekend to the 6,500 members of District 18, United Mine Workers of America, C.I.O. Union leaders believe this may help to revive the West's faltering coal industry.

Executive officers and policy committee members of the union visited every union local in Alberta, Saskatchewan and B.C., to discuss the terms of a draft contract which has been arrived at in negotiation with the Coal Operators' Association of Western Canada. The contract stipulates continuation of last year's agreement.

"If there is any chance of reviving the industry, this will help it," District 18 president Robert Livett, M.B.E., said today.

"We are helping ourselves when we help the industry."

The majority of the men were expected to accept the terms, said the union leader. Voting on acceptance or rejection of the contract would take place June 8.

"Taking into consideration the condition of the industry at the present time, we are of the opinion it would not be constructive to press for wage increases," Mr. Livett said.

Present minimum pay for miners in District 18 is \$13.15 a day, while laborers receive \$12.27. In addition, for every ton of coal mined, the operators pay 20 cents

into the miners' welfare fund. The contract provides for minor changes in the payment of income tax deductions, and makes changes in the classification of certain workers. If accepted, it will be valid from July 3, 1954, to July 3, 1955.

W. C. Whittaker, managing director of the Coal Operators' Association, expressed "satisfaction" with the terms of the contract and the union's attitude.

Texaco Active At Lundbreck Spud in Well

LUNDBRECK (HNS) — The Crown's Nest Construction Co. has completed building two miles of road from the Willow Valley road to the location of the new Texaco Oil wildcat spudded in this week.

The well is located north of Stanley Webber's ranch, about 17 miles north of Lundbreck.

Brinkerhoff Drilling Co. will do the drilling and so far this week 60 loads of equipment have been hauled in by James & Reimer Co.

A.M.A. Pass Driving School To Be Held At Blairmore

Jack Giesen, Manager of the Southern Alberta A.M.A. of Lethbridge, has announced that a driver training school will be held at Blairmore in July.

Registration will be held from June 1, the car and instructor arriving the first week in July until the 28 hour course is completed, which is expected to take two weeks. It is hoped to have 4 or 5 classes with three students to a class, the purpose of the course being to teach proper driving and safety.

J. V. McDougall Dies, Blairmore

BLAIRMORE — Seriously injured in an automobile accident near Hosmer, B.C. Sunday, Joe V. McDougall, 54 well-known Crow's Nest Pass resident, died shortly before 1 p.m. Thursday in the Crow's Nest Pass Municipal Hospital.

Employed as an accountant with West Canadian Collieries Ltd. in Blairmore, Mr. McDougall had lived in the town since 1926. He was a member of the Blairmore Elks' Club, prominent in sports circles, the Pincher Creek Council of the Knights of Columbus and of St. Anne's parish in Blairmore. Last October he was installed as Exalted Ruler of the Elks' Lodge.

He is survived by his widow, Anne, and a son, Donald, in Toronto.

Mr. McDougall had sustained a crushed chest on Sunday when the car he was driving had run into a ditch.

Pass Landmark Destroyed By Lightning

Man Rock, a prominent rock that has perched atop Turtle Mountain since the tragic slide of 1903 vanished during the first electrical storm of the year.

Around noon on May 26th lightning struck the landmark and demolished it. The rock is reported to have stood 15 feet in height.

● CANADIAN ART TAKES TO RAILS — Palette in hand, Robert W. Pilot of Montreal (top), president of the Royal Canadian Academy, poses beside his nearly finished mural of Revelstoke Park in British Columbia, which will dominate the mural lounge of one of the Canadian Pacific's 18 scenic dome sleeper lounge cars, like the one pictured below. Each of the new type cars will be named after one of Canada's national or provincial parks, and the CPR through the sponsorship of the Royal Canadian Academy, has commissioned 18 of Canada's best known artists to depict the natural beauties of each of the parks in mural form for the lounge, which is situated under the upper level dome. The "Park" cars are part of an order for 173 stainless steel streamlined cars.

Coleman Board of Trade Appoints Booster Committee, Seeks Better Attendance

A mere ten members assembled at the regular Board of Trade meeting Thursday night but showed renewed enthusiasm to give promise of the Board taking a more active part in community affairs. Before the evening was concluded the members had appointed a Booster Committee, Membership Committee, Publicity Chairman and gave some thought to a program committee.

Mayor Frank Abousafy presided over the meeting due to the fact that the organization still lacks a president. In his remarks, Mr. Abousafy stated that a Booster committee should be formed to bring proper publicity to the town and community, stating that the town activities were not coming before the public often enough. As a remedy, he suggested that a committee be appointed to keep the newspapers informed as to activities. Appointed to the Booster Committee were: Frank Abousafy, J. R. Hill, C. Coover, J. Allan Sr., J. Holyk.

In regular business, C. Freeman reported on the proposed Car Bingo and stated that one plan called for Friday nights blackout winner playing off with Saturday nights winner for the 1954 Plymouth sedan. An alternate plan would see a major prize of \$500 and other prizes offered each of the two nights.

Rodeo business discussed resulted in the plan to have the newly formed Booster Committee call on Coleman Collieries in an effort to obtain funds to support the rodeo. A regular meeting will be called in two weeks time to report on the success of this venture and decide definitely if the rodeo will be carried on.

Thursday nights small turnout brought out the idea of forming an attendance committee to give the board a boost, C. Freeman, H. Boulton and L. Owen being appointed to this committee. O. Ceili, J. R. Hill and J. Allan Sr. were appointed to select a new president.

J. Holyk asked for an explanation of the purpose of the Board of Trade to which Mayor Abousafy replied that the affairs of the

entire town were Board business, such problems as school matters, public works and personal problems not entering it at all. Following this J. R. Hill was appointed publicity manager.

J. Holyk asked for an explanation of the purpose of the Board of Trade to which Mayor Abousafy replied that the affairs of the

next meeting to inform the Board regarding his trip to Edmonton to interview the Premier during the unemployment crisis.

During past Board meetings the matter of light rates in Coleman has been discussed, Mayor Abousafy speaking on this subject Thursday night. Mr. Abousafy reported that rates were to be reconsidered for the business section, and that both the town and business light rates were to be reconsidered and altered shortly. He also informed the board that there would be no taxation for town purposes this year.

Pass Residents Seek Citizenship

BLAIRMORE — At the sittings of District Court held in Blairmore before His Honor Judge E. B. Feir of Lethbridge, Alexander Juhasz of Coleman took the oath of allegiance and received his Canadian citizenship certificate.

Other Crow's Nest Pass residents taking examinations for citizenship papers were Hendrika Cox of Blairmore and Steve Burdiga of Coleman. Applications for citizenship papers were made also by Anna Kura of Blairmore, Tadeus Flak of Coleman, Joseph Laptos and Stanley Sokolowski of Coleman, and were adjourned until a later date.

Engagement

Mrs. Kate Johnston of Coleman announces the engagement of her daughter, Myrtle Anne, to Mr. Frank Robson Gemmill of Calgary, son of the late Mr. and Mrs. William Gemmill of Cartwright, Manitoba. The marriage will take place early in July.

The Canadian Rockies Offer 200 Unconquered Peaks

Immortality can be found in the Canadian Rockies. All that's needed is a two-week vacation, enough food to get from breakfast through dinner, and the ability to overcome difficulties that are described in the June issue of

Popular Science Monthly, in an article entitled "Want to Climb a Mountain?"

To a mountaineer eager to leave his footprints in the sands of time, the Canadian Rockies might seem like an easy prospect. The 12,972 feet of Mt. Robson, loftiest of all the peaks, do not sound ominous, and most of the unconquered "heights" are much

lower than that.

But the Canadian Rockies are known as the world's toughest "little" mountain range. Many of these relatively low mountains have ramparts as steep as castle walls. The distances between ledges often call for risky leaps. The range is still weathering and the rock ledges and holds are often loose.

Despite these obstacles, adventurous men and women will be climbing to the vertical sides of the Canadian peaks this summer, climbing to mountaineering fame.

Tombola Winners

Winners in the Tombola Drawing held recently in the Polish Hall were as follows:

Joe Spyralak, Bellevue; Phyllis Jones; M. Halya, Toni Rynkiewicz, Natal Mrs. T. Hillis, Henry Zak, L. Jagrik, Joe, Cieslak, W. Michalski, L. Gianecchi, H. Domolewski, J. Oswald, V. Raif, M. Halya, Margaret Jonota, E. Micherd, Blaimore Jamina Rudnicka, Romaldo Bozenko, P. Beindrik, D. Pozzi, Edward Taboriski, Florence, Comin, Joe Piskil.

The committee wish to thank those who supported the Tombola and the following donors: Holyk's East End, Polish Society, Modern Electric, Abousafy, X-L Builders, Coleman Hardware, Grand Union Hotel, Fiewich, Coleman Hotel, Carrell Rollins, Empire Hotel, Chalmers, Zaks, Freemans, Coleman Meat, Allans, Parks, Motordrome, Fashion Shop, Petes, Coleman Motors, Can. Legion, Holyk's, Kananaskis Service, Rudys, Red and White.

coal available for consumption in Canada reached a 13-year-old low total of 38,163,000 tons in 1953.

The bureau of statistics announced today in a preliminary report that the total was eight per cent lower than the 41,620,000 tons available in 1952. However, it was 10 per cent above the 34,608,000 ton total of 1940, the next lowest year.

Domestic production of coal fell to 15,896,000 tons in 1953 from 17,579,000 the year before, the smallest output since 1947. Landed imports dropped to 22,522,000

tons from 24,430,000 and exports fell to 255,000 from 389,000.

Announcing a Revolutionary New Gasoline Advancement By TEXACO

New Sky Chief is now Super-Charged with PETROX — an exclusive, petroleum-base element — to give you a new kind of gasoline that delivers MAXIMUM POWER . . . yet actually CUTS ENGINE WEAR!

GREATER SPEEDS and increased stop-and-start driving brought about the need for a new kind of gasoline.

Texaco engineers worked on this problem. They succeeded far beyond our early hopes. Through intensive research they developed a new petroleum-base element — PETROX — and with it have produced a new kind of gasoline.

Here are the astonishing facts, confirmed by more than a million miles of tests. The new Sky Chief, Super-Charged with PETROX, gives you:

1. MAXIMUM POWER yet actually cuts engine wear. How? By protecting valves, valve guides and valve seats, pistons and piston rings against wear, glazing and harmful deposits. For example, on test cars using new Sky Chief, ring wear alone was reduced up to 45%! Spark plug life and efficiency were prolonged over 300%. This kind of protection means maximum driving power is delivered to your wheels where it belongs — instead of out the exhaust pipe.

2. A CLEANER, SMOOTHER ENGINE. Intake system deposits were cut down by as much as 38%. This kind of engine cleanliness, with new Sky Chief, means knock-free performance. From your first tankful you'll notice a new smoothness, a new responsiveness when you step on the gas; quicker starts, quicker warm-ups, faster get-aways, knock-free power to spare for highway and hill.

3. VISIBLE ECONOMY . . . Engines die because they burn themselves out. This new Sky Chief Gasoline, Super-Charged with PETROX, keeps your engine younger. That's why you get maximum power and that's how you cut down wear — and repair bills. That's why you get the extra mileage, real extra mileage that you can check on your speedometer.

IN RETROSPECT...

- 1923 -

Sport was strong in The Pass during this period and during May, Coleman baseball team defeated Bellevue 11-6 while Blairmore hung a 13-3 shellacking on Hillcrest. Hillcrest, however, boaster of a football team that showed signs of becoming famous before the summer was over.

The month of May each year sees the Pavilion at the lake opening for the summer dance season. During May of 1923 Jimmie Bennie was making plans for the opening of a hotel and dance hall at Crows Nest Lakes.

Blue Ribbon Coffee sold at 55c per pound and house dresses at \$1.65.

- 1933 -

The Coleman Citizens League occupied a spot on the front page in almost every May issue with such plans as taking over the Opera House and operating it as a Community Hall.

Blairmore Vagabonds showed signs of leading The Pass softball league with an impressive early season unbeaten record, defeating West Coleman Cubs 13-6 and Frank Lions 15-8. Comprising the Vagabonds were: Ed Leschok, Tony Trigotte, Tom Dolek, Martin Kroskowsky, John Shannon, Joe Bombardier, Joe Amatto, H. Lanchuka, J. Loskey, Tortorelli, E. Amatto and T. Perresini. Playing for the Coleman club were: M. Wavrean, J. Jenkins, M. Cousins, J. Wavrean, F. Vincent, M. Kubica, A. Kanik and J. Binda.

Ed LeDieu advertised Pink Salmon at three tins for 25c, tea at 35c pound and Coffee at 35c per pound.

- 1943 -

With the various Sports Associations facing the problem of carrying on despite the fact that contributions are lessening, it is remembered that the Coleman Association came into being during May of 1943. At this time miners and officials pledged good support to the endeavor.

Prices of groceries showed a climb, but J. Allan advertised Fort Garry Coffee at 51c and 98 pounds of flour at \$3.10.

Theatrics fared better in 1943 than at the present. While we see Coleman talent show shelved for awhile and professional troupes performing at other centers, we recall the Lions Club Drama Festivals of years gone by. The festival of May 1943 saw Rev. W. H. Truon, of Bellevue, directing the Hillcrest Players to the top award with the play "Prize Money."

Hillcrest Girl Lions Fete Queen

BELLEVUE — Bellevue was thronged Monday, Victoria Day, for the Lions Club celebration when Miss Elsie Evans, sponsored by the Hillcrest Moose Lodge, was acclaimed queen. She was an all-expense trip to the Calgary Stampede along with her chaperone. A colorful downtown parade opened the gala day, which was favored by fine weather and high class entertainment.

Coleman Gains Even Split

Alberta's defending junior champions, Pincher Creek Chinooks, got off to a 50-50 start in the Southern Alberta Baseball League here Sunday as they split a two-game series with Coleman Ravens.

Ravens, in their first year in the league, dropped the initial tilt 8-4 but roared back to nab onto the night contest 5-2 before the game was called because of darkness in the seventh inning.

Lanky Larry Davis went the distance for the Chinooks in the first game and Bob Vangotsen-oven, who started for the Coleman crew, a new entry in the league this year, was tagged with the loss.

Earl Engism got a couple and two singles for the winners and Cyr a double. LeRoy Land started the second but gave way to Terry Ferguson, former Picture Butte Indian ace, relieved in the third and shut the gate.

Pass Oldtimer Called by Death

Mrs. Beda Tiberg, an old timer of the Crow's Nest Pass, died in the Crow's Nest Pass Municipal Hospital following five months illness.

Mrs. Tiberg, 81, was born in Lugnas, Sweden, on May 27, 1873, and came to Canada in 1907, first settling in Lille and then in Coleman where, after a few years stay, the family moved to Blairmore where they have resided since.

She was predeceased by her husband at Blairmore in December, 1917. Surviving are two sons, Alrik at Blairmore, and Walter at Seattle, and by two brothers, Frank Swanson at Elko, B.C., and Charles at New Plymouth, New Zealand; a sister in Sweden, and by four grandchildren.

Council Meets In Regular Session

Coleman Town council met in regular session Tuesday night, bringing down the budget reported elsewhere in this issue, and moving that the business tax mill rate be reduced from 48 to 39.

Correspondence was received from the School Board regarding drainage problems on the north side of Central school. This matter was referred to the Works and Property committee.

Council authorized the attendance of C. Clarke at the Civil Defence Fire Course in Lethbridge.

The school requisition of \$32,967.55 was accepted.

Blairmore Man Receives Dr.'s Degree

Edgar Diamond, 26-year-old son of Mr. and Mrs. Omer Diamond of Blairmore, graduated and received his doctor's degree at the exercises held at the University of Alberta, Edmonton, May 14.

He was born at Port Macleod and attended both public and high schools in Blairmore. While in high school he was elected president of the Blairmore High School Union. He also took an active interest in young people's functions in the Crows Nest Pass towns. He has been studying medicine for the past seven years, and after receiving his degree will intern in the Calgary General Hospital for one year. His wife, the former Connie Alexander, of Bellevue, will reside in Calgary.

Mr. and Mrs. Omar Diamond of Blairmore and Mr. and Mrs. William Alexander of Bellevue motored to Edmonton for the graduation.

Car Fails To Go In Bingo

The 1934 Dodge failed to go at the recent Bellevue Bingo and will be put up again early in June. Miss O. Zoll, of Bellevue, won the collection prize of a deep freezer. Other winners were:

Mrs. E. Raymond, Coleman — Silverware.

Horse and Rider—Wally Fairville, Doreen Eddy and Jackie Evans.

Floats—Maple Leaf School, Bellevue Legion and Jr. Red Cross.

Cars—Henry Miller.

Entries Start For Horse Laying Competition.

Frank Fire Department has entered their team into the annual Coleman Horse laying contest and Blairmore have signified their intention to participate. The annual event will feature new entertainment this year, plans underway to present demonstrations of ladder work and pressure holding.

Invitations are being sent out to West Canadian Colliers, Calgary, and Lethbridge, while it is expected that Coleman Colliers will enter a team and the local brigade two teams.

BLAIRMORE

Mr. and Mrs. Omer Diamond of Blairmore, accompanied by their son and daughter-in-law, Dr. and Mrs. Edgar Diamond of Edmonton, returned to Blairmore

this week. Mr. and Mrs. Diamond had spent a one week holiday in Edmonton to attend the graduation exercises at the University of Alberta where their son graduated in medicine.

Miss Cecile and Miss Anne Petrick, both of Edmonton spent the long week-end visiting at the home of their parents, Mr. and Mrs. Mike Petrick of Blairmore.

Mr. and Mrs. Joe Ulrich of Blairmore, accompanied by their three sons Gordon, Martin and Henry, spent the long week-end visiting in Great Falls, Mont.

N. Packer, former Blairmore resident and now employed as a maintenance man with the Army, was a visitor to Blairmore this week doing some work at the local armories. While here he renewed acquaintances with many of his former friends.

Martin Lewis Larson, accountant on the staff of the Royal Bank of Blairmore, will leave this week for Fairview, Alberta, to which branch he has been transferred to serve as an accountant. Mr. Larson arrived in Blairmore two years ago on May 1. Prior to coming to the Blairmore branch Mr. Larson had worked at the Standard branch. Mr. Larson will be replaced by R. Hicks from the Camrose branch of the Royal Bank.

Miss Yvonne Gagne, of Nanton, spent the week-end visiting her parents Mr. and Mrs. Tom Gagne.

Mr. and Mrs. Gus Hegland, of Lethbridge, and their two children, spent the long week-end at the home of Mrs. Hegland's mother Mrs. Dorothy Pitt.

Mr. and Mrs. E. Blas, accompanied by Miss Natalie Aschaker, are spending a three week holiday at Victoria.

Miss Marion Kremnica, of Edmonton, is visiting with her relatives here.

Misses Cecile and Ann Petrick, of Edmonton, visited with their parents Mr. and Mrs. Mike Petrick.

The variety concert comprising all local talent featuring Blairmore, Frank, Natal and Pincher Creek talent during the past two months, will hold a concert in the Moose Hall in Hillcrest on Sunday, June 6 at 8 p.m.

Mrs. Rose Harvey was hostess to the Blairmore Women's Wemco Club when the group met and spent an evening doing hand-work.

BELLEVUE

Mr. and Mrs. Fred Padgett and Mr. and Mrs. Fisher were Great Falls visitors last week.

Mrs. J. Cousins is a patient in the C.N.P. Hospital.

Mrs. C. Emmerson is a patient in the C.N.P. Hospital.

Winners in the May Queen Ticket draw were C. Griffith, Bellevue; S. Inouye, Burmis, and Tony DeLauer, Burmis.

Winners of the worst costumes at the Hard Time Dance were D. MacLeod and partner and Joe Maltrum and partner of Hillcrest.

That'll be a million dollars please

Imperial's shopping bill is more than \$1 million a week...that's what we spend in Canada just for everyday needs. It doesn't include crude oil, which alone runs to \$4 1/2 million a week! Nor does it include wages, salaries or taxes.

What do we buy? Everything...from soup (to feed geological parties) ...to nuts (to fit a few million bolts) derricks dynamite and diesels and even catalytic cracking units (cat crackers they're called) to make those better gasolines.

We buy things from 6,000 Canadian firms from coast to coast. Shopping on this scale creates a lot of work for a lot of people...right across Canada.

Respectfully submitted,
A. DELUCA,
Auditor.

Coleman, Alberta.
May 13, 1954.

The executive of the Sports Association felt that it is necessary to bring to the minds of its members, a graphic picture of what difficulties they are faced with. From the above financial statement it can be seen, how much money is required to operate the sport facilities, Baseball, Tennis, Skating, and Curling arena's.

Yearly maintenance must be kept, beside the improvements to our most used building, the Skating Arena. Some years ago this building was to be condemned. Due to your support at carnivals etc., we have maintained, and renovated this building. There is a tremendous amount of work still to be done, this can be accomplished by the support of local organizations. Seven to eight thousand dollars will make this arena a safer and more attractive building.

More work on the foundation must be done, a First Aid room is necessary for the protection of your children while under our supervision. Siding to cover the Arena, making the building an asset to the town. We can name numerous other improvements all to benefit the community.

Now is the time we need the Arena more, therefore we ask all organizations to help financially, by setting up a separate fund to improve our Arena.

There is one other alternative, that is to raise the present dues, of 25c per month to 50c per month, with the majority approve of this under the present circumstances? We think not, therefore if all organizations will come forward and help us we can accomplish our objective. Remember no individual receives any remuneration, all of us benefit.

We ask you to discuss this problem at your next meeting, and the executive of the Sports Association will be pleased to meet other executives in formulating a plan. "Let us get busy" the health and safety of your children in recreation is our responsibility, and it comes first in our community enterprise.

Thanking You,
The executive of the Coleman
Sports Association.

D-Day Service Sunaay

The local branch of the Canadian Legion, B.E.S.L. are holding a public memorial service at the Cenotaph at 2 p.m.

The public are cordially invited to attend as well as all ex-service men and women, Scouts, Cubs, Cadets, Brownies and other organizations.

The pipe band under the conductorship of Pipe Major Moore will be in attendance. The religious service will be simple and brief with the singing of the following hymns: "Abide With Me", "Nearer My God To Thee" and "Lead Kindly Light".

Padre Harry Moss, D.C.M., will conduct the service, assisted by Lieut. of the Salvation Army and Miss Huriburt of the United Church.

Mr. Harry Wilton-Clarke, honorary president of the Legion and Mr. S. C. Short will give short addresses.

Comrade J. Kulig, president of the branch, will lay a wreath of flowers at the Cenotaph. The National Anthem will conclude the service following the Benediction. The Legion requests that all the churches will observe the day at the morning services and ex-service men and women are asked to attend their various denominations.

Uniforms and decorations will be worn.

With the warm showers that have fallen in the Pass during the last week, many have been seen carrying home large bouquets of fresh wild spring lilies and lady slippers. Trees in the district are beginning to take on their summer dress. Although rains have been falling off and on for a week, rivers in the Pass have not swollen to any great extent and heavy winter snows are gradually melting and lessening the flood danger.

Quickies ... FOR HOUSECLEANING TIME

By Corinne Terrie
Director of Nutrition, Bakery Foods
Foundation of Canada

Spring and Housecleaning! What a shame to have to combine such a delightful season with such dreary, dreaded tasks. But, it's all for the good, don't you think? When the vegetable garden and the new flowerbed demand your attention, you can forget about the inside of the house, and really enjoy your communion with the damp, brown earth.

To make mealtime tasks easier, and preparation time shorter, we suggest a few "quickies" for early springtime days.

Rhubarb Sauce

You know it's really spring when you carry home from market your first, long bunch of pink rosy rhubarb. It's refreshing, fragrant flavor lifts spirits and sharpens lagging appetites. Add a little honey to your rhubarb sauce as it cooks, to give it a "honey" of a flavor. Serve the RHUBARB SAUCE with breakfast toast, or as the perfect accompaniment to a BAKER'S FRESH CAKE for an easy lunchtime dessert.

You will need some easily prepared, quick meals if you get all the extra scrubbing and cleaning done these next few weeks. Here's an idea for a meal that satisfies—when you see it and when you eat it!

Chicken and Spiced Ham Sandwich Au Gratin

Place slices of spiced ham and chicken on squares of enriched white toast. Cover with rich mushroom gravy. Make it from canned condensed soup, or add sautéed mushrooms to gravy left from Sunday's dinner. Sprinkle sandwich generously with grated Canadian Cheddar Cheese. Brown under broiler until the cheese melts. Serve with a tart fruit salad and a steaming hot beverage.

Lemon Rolls

Spring showers may be splashing your clean windows, but bright yellow LEMON ROLLS will have you singing in the rain, they're so easy to make. For one pan of eight Brown ' Serve dinner rolls

combine the following:

One-quarter cup sugar, one teaspoon grated lemon rind and one tablespoon melted butter or margarine. Spread the lemon mixture over the bottom of a loaf pan (which fits the rolls). Place rolls with tops down, over the mixture. Bake in a moderately hot oven (400 deg. F.) for 15 minutes. Let rolls stand in pan one minute after removing from oven. Invert pan to remove rolls so lemon mixture is on top. Serve immediately.

Ham and Eggs A La King

Along with the flowers that bloom in the spring, come large supplies of new-laid eggs. Serve this economical protein food, HAM and EGGS A LA KING style, sparked with horseradish, over slices of golden brown enriched toast. For three servings of Ham and Eggs A La King, make one cup of medium white sauce. Blend in one-quarter teaspoon dry mustard and two teaspoons prepared horseradish. Add one cup of cubed, cooked ham and two chopped hard-cooked eggs. Serve piping hot over enriched toast points, or over fresh baking powder biscuits from your nearest bakeshop.

Fudge Banana Cream Cake

Rating top billing on your spring menus is FUDGE BANANA CREAM CAKE. It's the pantry-shelf answer to a quick dessert on a busy day. To your grocery list add an uniced loaf cake, one-half pint of whipping cream, ban-

anas and prepared fudge sauce. When ready for dessert, slice the cake into two portions, horizontally. Place sliced bananas and whipped cream between and over the layers. Pour hot fudge sauce over each serving.

Chesse-Tomato "Pour"

Interested in a quick, tangy lunch or supper dish? Combine one-half pound grated Canadian cheddar cheese with one can condensed tomato soup in the top of a double boiler. For extra tang add several pinches of dry mustard and a drop of tabasco sauce. Cook until cheese melts, blending thoroughly with a wooden spoon. Pour the piping hot CHEESE-TOMATO "POUR" over buttered enriched toast, or over handful of crisp bread cubes. Garnish each serving with a crisp bacon strip. Serve immediately.

Kitchen Tips

Planning to have your kitchen fresh as a daisy too? Why not begin with the BREAD AND CAKE BOXES. Warmer weather is made to order for the development of mold spores, and too many of them can spoil even a fresh loaf of bread. Wash the box or drawer with hot, soapy water, followed by a thorough rinsing with boiling water. Dry with a clean towel, and leave the box open, preferably on a window sill to sun and air.

It's Not All For The Birds—that whole wheat or enriched white bread left in the bread box. It can

make its next appearance as dry toast, French toast, cinnamon toast, hot-milk toast, or crunchy

croutons. Still the same nutritious food, no matter how it's eaten—soft or dry.

STOP COOKING Serve Soups, Salads, Sandwiches

SKIP right out of the kitchen, Ma'm, when the summer sun gets warm. Just stop cooking. And turn over your job to Soups, Salads, and Sandwiches.

Living is easy with a kitchen well stocked for the kind of eating. Here's the way to equip your kitchen for meals that give you an all-summer vacation:

Soup: Have a shelf filled with cans of your favorites: Tomato, Asparagus, Cream of chicken, Chicken rice, Chicken gumbo, Vegetable, Clam chowder, Beef.

Sandwiches: Loaf of white bread and one other for variety (whole wheat, rye, or raisin). Peanut butter, cheese, cans of meat, tuna and salmon.

Salads: Cans of fruit (peaches, apricots, pineapple) and meat, tuna and salmon. Refrigerator staples of eggs, lettuce, cottage cheese.

Mix and match with this tempting trio. And you can dine pleasantly, coolly on meals such as these.

SOUP SCOOPS

Surprise Dad With Dinner: Father is "King of the Mashed" during Father's Day, so fix him a royal feature. Beef burgers that are jumbo-size will guarantee that the meal is a sure-fire success. Crown the burgers with rich beef gravy—Dad's choice anytime. You can use a can of the good gravy that's already to hand and serve. Dish up each plate with a sizzling burger, a scoop of golden corn, and parley-buttered new potatoes. Fill individual wooden bowls with tossed salad. Pass the rich brown gravy for pour-on with burgers and potatoes. Later carry in the dessert—ice cream and luscious chocolate cake for the man of the house. If you use white frosting, you can spell out "DAD" with chocolate chips (and draw a heart around it).
